VISITS

PLACE DU CAPITOLE

DISTANCE : 600M

This vast square, surrounded by pink arcades, leads to the City Hall and the theatre. This is where Toulouse life pulsates: terraces, street performers, markets, and entertainment.

CATHEDRALE SAINT-ÉTIENNE

DISTANCE : 400M

Very unusual: it appears to be built in several pieces because it blends several architectural styles. It is also one of the city's major religious buildings.

BASILIQUE SAINT SERNIN

DISTANCE : 1,6KM

One of the largest Romanesque buildings in Europe and the most visited monument in the city. Its pink brick and immense bell tower are iconic. The interior is impressive.

JARDIN DES PLANTES & MUSEUM

DISTANCE : 1KM

The large park favored by the people of Toulouse. Ideal for brunch, reading in the sun, or a walk after dinner. Very pleasant on Sunday mornings.

COUVENT DES JACOBINS

DISTANCE : 800M

A magical place and often a favorite with visitors. The cloister is a haven of peace and the famous "palm" column inside is unique in the world.

CITÉ DE L'ESPACE

DISTANCE : 4,5KM

Toulouse's large science theme park, entirely dedicated to space and aeronautics.

LE PONT NEUF

DISTANCE : 500M

Despite its name, it's the oldest bridge still standing in the city. The view of the Garonne at sunset is probably the most beautiful in Toulouse.

MARCHÉ VICTOR HUGO

DISTANCE : 1,1KM

The most famous covered market in Toulouse, and clearly the most typical. You can find all the local produce of the Southwest here: cheeses, Toulouse sausage, foie gras, pâtés, oysters... The atmosphere is very lively in the morning, especially on weekends.
